About Us

Welcome To The Online Business Academy

94%

of our graduates reported that their education at The Online Business Academy equipped them with valuable skills that they could apply in their professional careers.

96%

of our graduates say that The Online Business Academy provided them with up-to-date and industry relevant skills.

At The Online Business Academy, your career advancement is at the heart of our mission. We've reshaped online learning with a personalised touch, offering exclusive 1-on-1 Zoom classes that bring the expertise of industry leaders and education specialists directly to you. Our world-class platform is meticulously crafted around your needs, ensuring that you receive undivided attention and tailored support to excel in your chosen field.

Our courses are carefully curated to ensure they are relevant, up-to-date, and practical, with a strong emphasis on real-world applications. We offer a wide range of courses across various industries, including accounting, bookkeeping, business, graphic design, video editing and digital marketing, web development, and more. All of our courses include assessments such as quizzes, assignments, and exams to measure your progress and provide you with valuable feedback.

We understand that life can be busy, which is why we offer a flexible approach to learning. Our online courses allow you to study when, where, and how you want, with no schedules, classrooms, or due dates to worry about. We also offer a range of support services, including access to a Career Centre, where you can get help with CV preparation, job search strategies, and interview skills.

Advancing Online Education

A New Way To Learn

The Online Business Academy brings you a bespoke educational experience tailored through personalised 1-on-1 Zoom sessions. Engage in courses meticulously designed to put your individual learning needs in the spotlight, ensuring that every interaction with our expert mentors is focused solely on your educational journey and success.

Immerse yourself in a structured yet flexible curriculum, with the freedom to delve deeply into your studies and emerge with confidence. With us, you're not just learning; you're shaping your future, one personalised lesson at a time.

#42

We provide 42 high-quality courses curated by leading industry professionals.

Why Choose The Online Business Academy

Choose the Online Business Academy for tailored 1-on-1 learning with industry experts, designed for focused support and a personalised path to your success.

- Complimentary personalized CV review with feedback to make your CV stand out
- Job tips and resources, including a clear five-step job success process
- Industry-relevant advice to stay up-to-date with the latest industry trends and requirements.

Very friendly and helpful stuff

They responded very quickly to my initial enquiry. The consultant gave me very helpful advice on which course would be right for me. The follow up was really great too. Helpful but not too pushy. Getting registered was quick and easy too.

Exceptional Learning Experience

I had a great experience with the Online Business Academy! The course content was well-structured and easy to follow. The assessments helped me understand the concepts better and the feedback provided was valuable. I'm grateful for the flexible learning schedule that allowed me to study at my own pace. I would highly recommend this academy to anyone looking for a quality learning experience.
